WAITER: Good evening - **How many of you are there?** Do you have a reservation?

SARAH: Yes, we have **booked** a table for three.

WAITER: Certainly - you have a table by the window. Follow me please.....(They sit).....Here you are.....(He gives them the menu).....**Would you like anything to drink?**

SARAH: **I'll have** a glass of red wine...

JAMES: ....and a bottle of mineral water, please.

WENDY: **The same** for me.

WAITER: Of course.

JAMES: Excuse me - Do you have a **Dish of the Day** or a **Fixed Menu?**

WAITER: **I'm afraid not**, Sir. Only at midday - not in the evening.

(later.....)

WAITER: **Are you ready to order?**

JAMES: Yes...**I'd like** a mixed salad for **starters**, and steak for the **main course**.

WAITER: How would you like the steak - **Well done, Medium, or Rare?**

JAMES: Rare for me, please.

WENDY: I won't have starters, if you don't mind. **Could I have** the grilled trout with boiled potatoes?

SARAH: **I'd love** the cold meat selection, but **I don't know what to order** for the second course.

WAITER: **May I recommend** one of our seafood dishes? It's our speciality.

SARAH: I'm sorry, but I think **I'd rather try** the roast lamb, and could we have **a bottle of the house red?**

(later.....)

WAITER: **Have you enjoyed your meal?** Would you like some dessert, Madam?

WENDY: No thanks, could you bring us the bill, please? **This is on me.**

WAITER: Of course - here you are. **Would you like to pay by cash or credit card?**

SARAH: By debit card, if that's OK. **Do you take Mastercard?**

WAITER: Yes, of course. **Sign here, please. Here's your receipt.** Was everything to your satisfaction?

SARAH: Yes, it was delicious. Was there **a cover charge included** in the bill?

WAITER: No, **service is not included**...

SARAH: In that case, we'll **leave a tip**.
