Notes:

1. *Vacaciones = Holidays (UK) / Vacation (USA). In the US 'Holidays' means the Holiday period between Thanksgiving (Acción de Gracias) and New Year.*

2. *Get wet = Mojarse. De la misma manera 'get dry' = 'secarse', 'get lost' = 'perderse', 'get angry' = enfadarse, 'get tired' = 'cansarse':*

"We were tired anyway, and then we got lost. It rained and I started to get angry." = Estabamos cansados de todos modos, y luego nos perdimos. Llovió y empecé a enfadarme.
