Saw	Tombstone	Screwdriver	Scales	Tape measure

1. You use this to turn the car when you are driving.
- 2 & 3. You need these two objects if you want to cut wood.
4. This word is plural, but it's only one object. You use it in the kitchen, to weigh sugar, flour and other ingredients. It's also in the bathroom, to weigh yourself.
5. If you want to know how long or wide something is, you'll need this.
6. You see this in a bathroom, below a mirror.
7. Are you trying to join pieces of paper? Every office and teacher has one.
8. As old as human civilisation, people use them as decoration, to put flowers in.
9. A dressmaker or tailor has one of these. A more modern version, perhaps.
10. If you work with wood, you should have some nails* and one of these.
11. If you don't have nails, you can also use this to do the same job.
12. How do you get onto the roof of your house, or clean the upstairs windows?
13. You sit on this when you need a rest in the park.
14. When you pay in a shop or supermarket, the cashier puts your money here.
15. The people who use this never see it.

* = 'clavos'
