Cinderella

Once upon a time there was a young lady whose father **died** soon after marrying his second wife. She was **educated** by her stepmother from then on.

This woman's two daughters **didn't have a good relationship** with Cinderella. They treated her badly and their mother **reprimanded** her when she **protested**.

One day a soldier **read a text publicly for everybody**, explaining that the prince wanted to find a wife and there was going to be a dance for all the young ladies in the city.

Cinderella's stepmother didn't want Cinderella to go to the dance, so she **ripped/tore her dress completely**. The poor girl stayed at home while her stepmother and stepsisters **started the journey** for the ball.

Carry on the story!
